Finance and Operations Manager

Position title	Finance & Operations Manager
Location	Dili, Timor-Leste
Reports to	Lafaek Social Enterprise Director
Grade	Grade 7
Salary	\$1,492.00 per month
Position type	Full - time
Start date/timeframe	1 November 2024

1. Background

1.1 About CARE

CARE is an international development and humanitarian organization that has been working in Timor-Leste since 1994. With programmes that extend across all parts of the country, CARE works with partners to save lives, defeat poverty, and achieve social justice.

CARE works with remote, rural communities and civil society partners to combat gender inequality, as this has been shown to be one of the most effective ways to create sustainable development outcomes.

Ensuring well-being and a voice for women and girls in rural, disadvantaged areas is at the heart of CARE's work. This is achieved in four priority areas of Education, Women's Economic Empowerment, Health, and promoting Women's Voice in society through development and humanitarian programmes.

1.2 About the programme

CITL's Lafaek magazines have promoted literacy, learning, and broader social impact across Timor-Leste since 2001. Lafaek has become a household name in Timor-Leste with a brand that is highly valued and trusted nationwide. The Lafaek Learning Media project currently produces four types of magazines with engaging and relevant content and distributes them three times a year to 13 municipalities across the country. Since 2018, CITL has additionally launched the Lafaek Learning Media (LLM) Platform, a Facebook page that now has over 160,000 followers, mostly young Timorese, and a website. The New Zealand Department of Foreign Affairs extended the project in 2022 for a further five years.

Until now, the operations of Lafaek have been sustained through financial contributions from donors. However, given the prevailing patterns of diminishing development aid allocated to Timor-Leste, it seems improbable that this funding source would remain dependable. CARE aims to enhance Lafaek's long-term sustainability by facilitating its transition into a locally registered foundation.

CARE participates in the global [Inter-Agency Misconduct Disclosure Scheme \(MDS\)](#). In line with this Scheme, CARE in Timor-Leste will seek a “Statement of Conduct” from all past employers that candidates have been employed by over the last 5 years, specifically related to incidents or investigations into allegations of sexual harassment, sexual exploitation or sexual abuse during their employment CARE is also committed to disclosing knowledge of sexual misconduct to other agencies where requested.

2. The role

The Finance & Operations Manager is responsible for overseeing all financial and operational aspects of and ensuring efficient management of the operational and financial aspects of the Lafaek Foundation, as well as overall compliance with contractual requirements, CARE and donor policies, GoTL regulations, and local law. The Manager will oversee finance, procurement, administration, asset and record management for activities and operations. The Finance & Operations Manager will identify process gaps and compliance risks and work with the Lafaek Social Enterprise Director/Officer in Charge (OIC) to develop and streamline processes and procedures.
